## General Information

This is a 6-week cognitive behavioral therapy class that will help you in your struggle with anxiety. The class consists of teaching, practicing of techniques, and group discussion. Ages 18 and up are encouraged to enroll. To really benefit from the material that is presented, participants need to actively participate in discussions, practice the skills, and complete the assigned homework.

The class will be held on Wednesday evenings from 5:30pm-7:00pm. Only 7 members will be accepted for this class to ensure an optimal environment to learn and practice the techniques.

## Cost

We allow you to break down the cost into six affordable payments of \$80 (credit cards accepted). Our Tackling Anxiety Class is a great way to experience some of the rewards of cognitive behavioral therapy at a much lower price than individual therapy.
